Promote Program Guidelines

Manitoba Film & Music investment: For applicants with a current MFM-funded release and who have a registered Manitoba business or corporation, Manitoba Film & Music's financial participation may be up to 60% of the total eligible costs to a maximum of \$15,000 per fiscal year (April 1 – March 31). *Please note the confirmed tour date requirement below.*

Funds will be disbursed according to a pre-arranged schedule and satisfactory reporting requirements. Financial participation will be in the form of a contribution. Manitoba Film & Music will allow no more than two Promote program grants to be open per applicant at a time.

Confirmed tour dates required: Manitoban artists with an MFM-funded current release are required to have a minimum of 4 confirmed tour dates in order to be eligible for the program maximum of up to \$15,000, otherwise they are only eligible for up to \$5,000. Manitoba Film & Music's financial participation may be up to 60% of the total eligible costs to a maximum of \$5,000 per fiscal year.

Current release window: If the applicant is seeking Promote funding for an existing recording, the initiatives must support a commercially released single, EP or full-length album that is widely available on all major digital music platforms. If applying for marketing or video funding for unreleased recordings, the application cannot be received more than six months prior to the release date. If applying for Promote funding for recordings that are already released, the application must be received within two years of the recording's release date in Canada.

The release of the first single from an EP or album marks the beginning of the two-year eligible release window for that EP or album.

Promote application details: All applicants must attach a detailed marketing plan, including information on your release, as well as distribution, promotional and touring (live concert date) plans. A detailed budget must be included with your proposal. Applicants who are applying for video production as part of their costs need to include the director's C.V. and a treatment for the video.

Publicist's/Radio tracker's plans inclusion requirement: All proposals for PR/Publicity/Radio tracker services that are listed in the application must be included with the application package.

Manitoba music video production rules: The video director should be a Manitoba resident. In special cases, a non-Manitoban director may be used. However, expenses incurred outside Manitoba will not be considered eligible by Manitoba Film & Music. In addition, the video production must have the following elements:

Any costs incurred before the application is submitted will not be acknowledged as expenses for the project. Incomplete applications will be returned. Applications may be submitted at any time throughout the year.

Grant management portal applications only: Manitoba Film & Music is only accepting applications through the grant management portal.

Application templates: Applications must be completed on current Manitoba Film & Music-supplied application forms and templates as provided in the grant management portal. Self-generated budget documents or templates will not be accepted. Incomplete applications will be declined.

Eligible Expenses

Eligible expenses: All costs directly related to the marketing, content creation, video production and promotion of the recording may be eligible. These expenses must be set out in advance in a budget submitted along with the application and approved by Manitoba Film & Music.

Album manufacturing: Album manufacturing costs for products to be sold to the public are not an eligible expense. Manufacturing costs for promo CDs can only be included in the budget if Manitoba Film & Music did not cover the cost of manufacturing through the Produce program or if this is a new run of CDs.

In-house and related party costs: In-house costs are not accepted as eligible expenses. Applicants must disclose all related party and non-arm's-length transactions in the submitted budget. Related party costs are only accepted if the person has a professional track record in the field of the service being delivered and has a registered business or corporation. Further to this, the expenses are accepted at the discretion of Manitoba Film & Music staff and only if Manitoba Film & Music can establish fair market value for the service being delivered. Related parties must be declared on the application form.

Promo tour: A promotional tour date is a radio, television, or in-store performance supporting a current release. For promotional tours, only travel costs are eligible (artist fees and per diems are not allowed). Promotional tours must include a minimum of four performance dates with no more than seven days in between performances. Performances within 150 km of the artist's hometown are ineligible for funding. A separate budget and tour itinerary must be submitted for promo tour costs to be considered eligible.

Per diems and artist fees: These costs are only eligible as part of a video component. They can be paid in cash and submitted for cost reporting purposes on a single receipt per person, for the full amounts paid out. Receipts must be signed by each individual person claiming the per diem and artist fee. Artist fees are capped at \$300 per musician per day, and can be paid, donated, or a combination of the two. Allowable per diem rates are \$45 per day.

Donated Investment: Donated investment will be recognized as an eligible cost, as long as it is supported by an invoice for services. Manitoba Film & Music will recognize up to a maximum of 25% of the final accepted total costs of the project as donated investment.

Admin fee: An administrative fee is recognized as an eligible cost. Manitoba Film & Music will recognize up to a maximum of 15% of the final accepted total costs of the project or \$1500, whichever is less, as the Administrative Fee.

Financial Participation

The financing plan can consist of a written statement saying how the applicant plans to finance the budget shortfall not covered by Manitoba Film & Music funding or other funds/revenues.

Payments and advances: Funds will be disbursed according to a pre-arranged schedule and subject to satisfactory reporting requirements. The disbursement schedule will be as follows: 60% of Manitoba Film & Music's commitment amount upon the signing of Manitoba Film & Music's funding agreement, and 40% upon the submission and review by staff of your final report, with acceptable proof of payment (cancelled cheques, eTransfer receipts, credit card statements and money orders), and including any deliverables such as written reports, promotional materials, videos, or recordings.

Funding contributions: Applicants must disclose all other sources of financial assistance for the project. Manitoba Film & Music's contribution to the project combined with any other funding, including Government or terrestrial radio programs cannot exceed 100% of the Total Eligible Budget.

Manitoba Film & Music credit and logo: Manitoba Film & Music's logo must be placed on all marketing, video (where production credits are displayed) and promotional materials produced for this project as credit for funding. A link to any content or videos produced with program funds must be submitted with the final reporting documents. Please refer to the [Resources](#) section on our website for print ready graphics.

Approvals: Approval of all applications is at the discretion of Manitoba Film & Music. Manitoba Film & Music may impose modifications to the budget submitted.

Project changes: It is the applicant's responsibility to inform Manitoba Film & Music of any changes to the original budget, the creative direction or the financing structure of the project in order for the project to remain eligible for funding.

Artist fees are only accepted on MFM's supplied artist services invoice template. **Please use your original budget form to track expenses for the project.** Applicants must keep invoices/receipts directly related to the project, as well as their corresponding proof of payment.
